Deep Cover Jack: Hunt For Jack Reacher Series (The Hunt For Jack Reacher Series Book 7)

Synopsis

"Make some coffee. You'll read all night." - Lee Child
FBI Agents Otto and Gaspar pick up where Lee Child's *Persuader* leaves off in the Hunt for Jack Reacher. Lee Child Gives Diane Capri Two Thumbs Up! "Full of thrills and tension, but smart and human, too. Kim Otto is a great, great character - I love her." Lee Child, #1 World Wide Bestselling Author of Jack Reacher Thrillers
In the thrilling follow-up to the ITW Thriller Award Finalist (*Jack and Joe*), FBI Special Agents Kim Otto and Carlos Gaspar will wait no longer. They head to Houston to find Susan Duffy, one of Jack Reacher's known associates, determined to get answers. But Duffy's left town, headed for trouble. Otto and Gaspar are right behind her, and powerful enemies with their backs against the wall will have everything to lose. The Hunt for Jack Reacher series enthralls fans of John Grisham, Lee Child, and more: "Diane writes like the maestro of the jigsaw puzzle. Sit back in your favorite easy chair, pour a glass of crisp white wine, and enter her devilishly clever world." "David Hagberg, New York Times Bestselling Author of Kirk McGarvey Thrillers" Expertise shines on every page. "Margaret Maron, Edgar, Anthony, Agatha and Macavity Award Winning MWA Past President and MWA Grand Master 2013 Readers Love the Hunt for Jack Reacher Series and Diane Capri: "I 'stumbled' on this title and was attracted to it as I am a Jack Reacher fan. Loved the story and the author's writing style. Couldn't wait for more so I purchased [Raw Justice] and want more Jennifer Lane - please?! Fatal Distraction is also on my Kindle to read list!" "I have been a Reacher fan for years and was excited when I heard of Diane Capri's take on 'Finding Reacher'. 'Don't Know Jack' is a good companion to Child's Reacher books and recaptures the flavor of the Reacher mystique. I am waiting anxiously for the next book in the series and the next and the next, and so on." "All Child fans should give it a try!" New York Times and USA Today Bestselling Author DIANE CAPRI Does It Again in another blockbuster Hunt for Jack Reacher Series Novel

Deep Cover Jackâ””Diane CapriDeep Cover Jack picks up FBI Special Agents Kim Otto and Carlos Gasparâ”™ assignment on the Special Personnel Task Force of vetting Jack Reacher for an unknown government mission. This is the 6th novel in the series, which spans real time, about at this point about eight weeks. When I have discussed these novels with friends, concerns regarding the ability of each novel to stand on its own AND the necessity of being even somewhat familiar with the parallel Reacher novel are expressed. Capri, who does have what seems to be a carte blanc from Childs to use his characters, is quite skillful in splicing sufficient details of her own Search for Reacher back story and the Reacher novel settings portrayed in the current Kim and Carlos episode that one does not NEED to have read either one. I think you will find, however, you will WANT to read both. In Deep Cover Jack, Otto and Gaspar become involved with a crew of former and current ATF/DEA agents, cops and assorted others with whom Reacher cooperated in an off-the books sting at an isolated Maine estate nearly a decade prior to the current action. One of the players then had gone over the edge in a private vendetta busting human traffickers and had been captured. One of theâ”|wellâ”|good guysâ”|had much information on Reacher; Otto and Gaspar, hungry for information, traded their help to the very off-the-books operation to retrieve their former comrade-in-arms from the estate. What, you thought I was going to give away the plot? Not likely. And here is why you should get this bookâ”|and all the Search for Reacher books RIGHT NOW! Diane Capri has several crime series out right now and is winning awards. She knows her craftâ”|and she knows her art.

"Deep Cover Jack" seamlessly picks up where Lee Child's "Persuader" leaves off. Agents Otto and Gaspar are hot on the trail of Jack Reacher, this time by way of trying to find a Reacher

close-associate, Susan Duffy, another highly capable government agent who has mysteriously disappeared. We meet a few more fascinating characters along the way and the plot line jumps right out of current contemporary issues but not in a contrived way. This is something Capri handles very well. Her plots are intricate without being confusing. Her characters are realistic. Otto fears flying and is so high-strung she's on a constant diet of antacids. Gaspar is a devoted family man who has devised capable ways of getting around physical handicaps he's incurred in the line of duty. Diane's timing and penchant for telling a great tale while moving the overall story arc along with each installment is a pleasure to engage with. Capri is working a whole new level of magic here, though. It has to be experienced to fully appreciate it. She has managed to take the highly popular, near-iconic Jack Reacher franchise into a whole new realm. "What happens to the people around Jack Reacher? What is the world like for those he encounters? How does Reacher impact the people he deals with, good and bad?" Diane Capri answers these questions. In so doing, she expands the Jack Reacher universe, fleshing out the people and the plot lines we've all come to love. Capri's books are a superb compliment to Lee Child's work and I've come to eagerly anticipate each succeeding installment. They're not just filler until the next Reacher fix. They're not merely great novels that can stand on their own.
