# Latinos In The New Millennium: An Almanac Of Opinion, Behavior, And Policy Preferences

## Synopsis

*Latinos in the New Millennium* is the most current and comprehensive profile of Latinos in the United States: looking at their social characteristics, group relations, policy positions, and political orientations. The authors draw on information from the 2006 Latino National Survey (LNS), the largest and most detailed source of data on Hispanics in America. This book provides essential knowledge about Latinos, contextualizing research data by structuring discussion around many dimensions of Latino political life in the U.S. The encyclopedic range and depth of the LNS allows the authors to appraise Latinos' group characteristics, attitudes, behaviors, and their views on numerous topics. This study displays the complexity of Latinos, from recent immigrants to those whose grandparents were born in the United States.

## Book Information

Paperback: 448 pages

Publisher: Cambridge University Press (December 12, 2011)

Language: English

ISBN-10: 1107638739

ISBN-13: 978-1107638730

Product Dimensions: 6 x 0.9 x 9 inches
