The Book Of The Lion: Henry Gamadge #13

Synopsis

It should be a fairly routine job for Henry Gamadge: Examining the papers of a dead poet and playwright with some early promise but not much in the way of commercial success. But it's not so much the life and letters as the death of the author (murdered in Central Park) that interests Gamadge. Add in a dead witness and the odd behavior of the family, and Gamadge decides something criminal is afoot. The New York Times call this "another top-flight Elizabeth Daly story"

Customer Reviews

I love Elizabeth Daly (she was Agatha Christie's favorite mystery writer). I am almost finished collecting all her books so I can go back and them on a dark and stormy night!

I liked this series of books. They are similar in flavor to Agatha Christie's mysteries, but take place in America.

Another excellent Elizabeth Daly mystery. The plot was clever and characters well developed as

usual for a Daly mystery. If you like Elizabeth Daly mysteries, you will enjoy this one.

I enjoy this series of Golden Age mysteries.

Great series!
