The Jewish Story Finder: A Guide To 668 Tales Listing Subjects And Sources

Synopsis

Storytelling, as oral tradition and in writing, has long played a central role in Jewish society. Family, educators, and clergy employ stories to transmit Jewish culture, traditions, and values. This comprehensive bibliography identifies 668 Jewish folktales by title and subject, summarizing plot lines for easy access to the right story for any occasion. Some centuries old and others freshly imagined, the tales include animal fables, supernatural yarns, and anecdotes for festivals and holidays. Themes include justice, community, cause and effect, and mitzvahs, or good deeds. This second edition nearly doubles the number of stories and expands the guide's global reach, with new pieces from Turkey, Morocco, Libya, Tunisia, and Chile. Subject cross-references and a glossary complete the volume, a living tool for understanding the ever-evolving world of Jewish folklore.

Book Information

Paperback: 416 pages

Publisher: McFarland; 2 edition (July 27, 2012)

Language: English

ISBN-10: 0786448237

ISBN-13: 978-0786448234

Product Dimensions: 6.9 x 1.1 x 9.9 inches

Customer Reviews

I have found my kindle version of this book very helpful. You simply link by story number. It is easy use and to follow and has made my presentations to children much easier to create.

If you are planning on using this book for reference - get the print edition - there are no page numbers built into the Kindle version, so you can't look up stories from the index... oh well...
