# Scared Money (Savannah Martin Mysteries Book 13)

## Synopsis

When Savannah's real estate company, Lamont, Briggs, and Associates, finds itself embroiled in a closing scam, broker Timothy Briggs asks Savannah's help in figuring out what happened and who's behind it. The task is a welcome distraction for Savannah, whose private life is rocky. Carmen Arroyo is in prison in Nashville, nine months pregnant, and no one knows whether the baby is Rafe's or not. And while Rafe doesn't seem too worried about it, Savannah can't say the same. Meanwhile, down in Sweetwater, Savannah's mother Margaret Anne is hitting the brandy while trying to come to terms with her late husband's love child and her best friend's thirty-four year silence on the subject. Between one thing and another, it's all Savannah can do to keep everything moving along smoothly. The very last thing she needs is someone rocking the boat...
