Customer Reviews

Here in New England, we have had an awful year for snow. Having had so much of it throughout the winter, I should have been driving at a much slower pace than I was, while I was driving home from work in yet another snow squall on Friday. I don't know if I thought that the snow was still lighter at that point, or what. But the roads were untouched, they hadn't been treated with salt or plowed, and as I went around a corner going up a hill at 45 miles per hour in a 45 mph zone, I lost control of the car. I was most certainly going crash into the guard rail on the opposite side of the road. I had split seconds to think about the Angels in the Sword Ritual that I had been doing in the morning and evenings, and in my mind, I called out to these Angels in sheer panic, saying "Guys, please help me not crash!" and it took a couple of seconds (it felt like lifetimes!) but I was able to get the car under control and did not crash. Not only that, but even though I slowed down a lot, there are certain spots on back roads that give me a lot of trouble when it snows, but I didn't not even have any trouble at all the rest of the way home. There is no doubt about it, the Angels from the rituals in this jewel of a book will protect you physically. You may not realize how extremely valuable that is until you are in serious jeopardy and wish that someone would come through to help you. If you are on the fence about buying this book, do yourself a GREAT FAVOR and JUST BUY IT. Do the Sword Ritual & Master Ritual and get the attention of these Holy Angels, because believe me when I say that you want them there for you during your time of need. The Master Ritual also has brought the requested peace and harmony into my life.
