I've been getting into Saiva Siddhanta without knowing that the Saiva Siddhanta Church had actually published several books on the subject and have been frustrated by the lack of English

scholarship on the subject as compared to the other sects ie Kashmir Saivism, Yoga Darsana, Jainism, Advaita Vedanta, etc. In their attempt at Universalism they sully their own message because Hinduism isn't just ONE religion, it is an amalgamation of several different philosophical conceptions of reality. Siddhanta in my mind is the highest philosophy to have been invented by the Hindu mind and in my mind the Saiva Siddhanta Church sully their message by not being more transparent about their own chosen philosophy out of the Hindu fold, I didn't even know this book was about Siddhanta until recently. Either way this is an absolute masterwork and I recommend all people who are interested in Hindu thought to consider Siddhanta and not be turned off by the propagandists who dismiss it as "dualism" which in my mind is an absurd conception because true reality is dualistic (ie Moksha is a state of sameness but not one-ness with Shiva) but a co-dependent dualism.

Dancing with Siva by Satguru Sivaya Subramuniyaswami is really a phenomenal work. It is the most accessible approach to Hinduism for Western audiences without sacrificing any authenticity or orthodoxy. True to its subtitle, the book is a catechism of the Shiva-focused Shaivite sect of Hinduism â€“ explaining the faith in practical terms that don't require you to take a college-level course to understand. It's meant to be lived and experienced, not just to be read about and approached theoretically. This book, more than any other that I've found in English, will allow you to learn the truth of Sanatana Dharma â€“ Hinduism.

This is a rare gem filled with both ancient wisdom and the insights of Satguru Sivaya Subramuniyaswami. I have read and studied the daily lessons after meeting Satguru in 1997 in Kauai. I highly recommend it to anyone who wants to integrate the ancient wisdom into their daily life. Take the journey, your life will be greatly blessed. Joy and blessing, Rev. Barb Walley
