Customer Reviews

"Recommended for small animal practices and focuses on typical surgical emergencies common to soft tissue and orthopedic damages." (California Bookwatch, 2016) "The result is a highly recommended, solid reference any small animal clinic should keep at hand." (Donovan's Literary Services, 2016) Â The textbook is well laid out and easy to read, although some of the surgical procedure descriptions could have been easier to follow. (Veterinary records, 2016)

Small Animal Surgical Emergencies is a practical reference to soft tissue and orthopedic emergencies commonly encountered in small animal practice.Â Offering clinically oriented information on the surgical and critical care management, the book describes emergency stabilization and surgical procedures used in the emergency setting.Â Carefully designed to allow

fast access during an emergency, the book is logically organized by body system and includes algorithms, clinical cases, diagnostic images, and photographs to illustrate the concepts. Each chapter covers procedures for stabilization, diagnostic approaches, operative techniques, post-operative care, complications, and troubleshooting. A companion website offers video clips depicting the techniques discussed and provides the images and case studies digitally. Small Animal Surgical Emergencies is an essential resource for emergency room veterinarians, general practitioners, veterinary surgeons, and emergency and critical care specialists wanting easily-referenced information on surgical intervention during an emergency. Key features Offers practical information on stabilization and surgical intervention in the emergency setting Covers common soft tissue and orthopedic emergencies Provides step-by-step procedures for stabilizing and operating on the emergent patient Promotes problem-solving through algorithms and case studies Depicts the concepts described using radiographs, ultrasounds, contrast studies, and photographs Includes access to a companion website with video clips, case studies, and images at www.wiley.com/go/aronson/emergencies
