Synopsis

Vous avez découvert le chef d'œuvre littéraire répondant aux questions concernant Dieu, la vie dans l'univers habité, l'histoire, le futur de ce monde et la vie de Jésus. Le Livre d'Urantia harmonise histoire, science et religion en une philosophie de vie pleine d'espérance et de sens nouveau. Vous cherchez des réponses, lisez le Livre d'Urantia ! Le monde a besoin de nouvelles vérités spirituelles, amenant l'homme et la femme modernes à une relation personnelle avec Dieu. Bâti sur l'héritage des religions, le livre dévoile une destinée éternelle pour l'humanité, la foi vivante étant la clé du progrès spirituel personnel et de la survie éternelle. Ces enseignements offrent de nouvelles vérités pouvant élever et faire avancer la pensée et la croyance humaines pendant les prochains 1000 ans. Un tiers du Livre d'Urantia est l'histoire stimulante de la vie de Jésus et une révélation de ses enseignements originaux. Ce récit panoramique décrit la naissance, l'enfance, l'adolescence, les voyages et aventures de sa vie d'adulte, le ministère public, la crucifixion et ses 19 apparitions de résurrection. Jésus n'est plus le personnage principal du Christianisme mais un guide pour les chercheurs, de toutes religions et de tous milieux.

I have read this book many times over twenty five years. It gave added dimensions to my life as a Buddhist monk, and to my current life as a Christian minister. The book details a simple message of

human sonship with God, as lived and taught by Jesus of Nazareth, and sets it against a backdrop of the enormous spiritual potentials that exist throughout all existence. I recommend it to anyone who wants more out of Christian theology, and more of what is beyond Buddhist enlightenment experience. At first the Urantia papers may be hard going, but if the reader persists and finds their own pace, the spiritual fruits will absolutely astonish and fulfil.

I have been reading Le Livre d'Urantia for eighteen years. It has changed my life completely. This is THE answer we have all been looking for. It makes so much sense. If you are looking for a book on UFOs with little green guys using their mind power to journey through space and time, or if you believe that painting your house front door yellow will bring you happiness and health, and other similar stuff, then this book is NOT for you. But, if you are looking for intelligent, no non-sense spiritual reflections on our universe, our world, our past and our future, if you believe in God, if you believe that Jesus is the Son of God, without judging or rejecting other religious beliefs, if you can keep an open mind, without going to the opposite and not be able to discriminate between common sense and absurdity, if you are at that stage in your life where you feel emptiness and dissatisfied with traditional belief systems, or with the so-called "New Age" aberrations, then maybe you are ready for the Urantia Book. But don't worry, if you're not ready yet, the Book will wait for you.

Alors que ce livre ne s'adresse pas nécessairement à tous les lecteurs, ceux qui désirent ouvrir le rideau sur le potentiel universel et les phénomènes spirituels nous entourant, se régaleront des révélations faites dans ce livre. On aborde en premier le thème et la personne de Dieu, Ses multiples manifestations et le monde auquel Il appartient, pour ensuite plonger dans le grand univers et son fonctionnement tant physique que spirituel. Le récit se poursuit dans notre univers local, mariant l'évolutionnaire au créationnisme naturellement. Notre planète et son évolution, l'apparition des êtres humains, etc. sont aussi au menu pour se terminer avec l'apogée de la vie de Notre Seigneur. Le point le plus important suite à ce que ce livre démontre une neutralité envers les religions du monde, il révèle des points qui semblent naturels au Moi. C'est un livre à lire et relire.

Very pleased to have a paperback arrive in a durable nylon cover, and to have the print quite fill each page so there is little waste of space. Good format! As to content, what can one say about The Urantia Book -- it is the book that caps and completes all previous revelations, answering all the questions I had, and meeting all my concerns about lack of logic and credibility in other scriptures.

I have been reading this book for a long time and it has changed my life. So I have given the book to each of my children at Christmas now that they can read it. To any one curious about existence, the answer is there, Andre Arcand

I love this book and I'm giving the French edition to my son who is moving to Africa very soon.
