## Customer Reviews

For all you Wraith players and storytellers who don't have any spectres in the game-- You have NO IDEA what you are missing! And, if you do have spectres but not this sourcebook, you could be doing a LOT better! "Dark Reflections: Spectres" is Black Dog's first Wraith book. It does a GREAT job describing the mentality and characteristics of Wraiths who have fallen into their shadow. Storytellers will see how to properly incorporate spectres into the game, and players will learn how to properly play them. Get this discontinued tome while you still can!
