Jax's Dilemma: Insurgents Motorcycle Club (Insurgents MC Romance Book 2)

Synopsis

Jax, Sergeant-At-Arms of the Insurgents Motorcycle Club, likes his women easy. Raised in the outlaw biker world, Jax has bedded more women than he can count. The only things on his mind are big ass Harleys, scorching whiskey, and pretty women who can spread on command. Then he meets Cherri—the stripper with ice blue eyes and white-blond hair. He wants her in his bed. She would rather not. Cherri has complicated stamped all over her. Jax doesn't need a woman like her messing up his life. Too bad he can't stop thinking about her. Cherri ran away from a bad situation back home. She has secrets she hasn't shared with anyone. Stripping is her means of making enough money to start a new life, and nothing's going to screw up her plans. Then she meets Jax. He's gorgeous, sexy, and a cocky bastard. His tattooed, ripped chest and biceps make her drool. She knows she should run far away from him, but her body wants him in the worst way. Just as she begins to relax, her past collides with her new life. Cherri must navigate a deadly obstacle course littered with outlaw motorcycle clubs and a power-hungry politician. Jax won't stop until he claims Cherri. He vows to protect and love Cherri no matter what. When put to the test, will Jax betray his family—the Insurgents MC—or will he lose the woman he loves forever? The Insurgents MC series are standalone romance novels. This is Jax and Cherri's love story. This book contains violence, strong language, sensitive issues, and steamy sexual scenes. HEA. No cliffhangers! The book is intended for readers over the age of 18. Previous Titles in this Series: Hawk's Property (Book 1)

Customer Reviews

Jax is the Sergeant At Arms of the Insurgents MC. He is a big biker who demands not only respect, but the security of his club. He has always had a slew of woman at his beck and call, but up until recently has never had the urge to have just one woman. The one woman who seems to have him all tied up in knots, is the very woman that refuses to give him anything more than the time of day. Since rescuing her, Jax has had an on going hard on for Cherrie, and he has all but vowed that she WILL be his. Cherrie has had a hard life starting when she was just thirteen. Being raped by her stepfather, then ending up being a side piece for a politician, and to top it all off getting kidnapped by the Demons MC has just basically iced the cake for her. The only upside to all of it is that since the Insurgents saved her, she finally seems to have a chance to take care of things and maybe just maybe be safe for the first time in her life. For as strong and domineering as Hawk was, Jax makes him look like a teddy bear. He is a strong and brooding man who all but demands respect. Cherrie determined to keep to herself and get enough saved up to make a decent life for herself is glad to have the job and backing from the Insurgents, but having the over bearing biker sniffing at her heels is just a tad bit annoying because she is stuck trying to fight the attraction to him. The push and pull of this book will have you hollering at points would you two just hook up. But, on the flip side you get a strong understanding as to why Cherrie is fighting as hard as she is, because she doesn't only fear getting hurt, but she does not trust ANYONE easily. Then when her worst fear appears she knows that things could take a quick turn for the worst.
