A Tangled Teaser: A Witch Cozy Murder Mystery (Witches Of Hemlock Cove Book 3)

Synopsis

When witch, and former cop, Grace Angelo decides to take a beach vacation with her friend Dario, the last thing she expects is to get involved with another mystery. But when she explores the coastal town with her special dog, Noah, their beach walk is cut short when they stumble across a group of people dragging a dead body from the sea. Local detective Zach Jackson is soon on the case, and just as quick, Grace agrees to help discover what happened to the deceasedâ "a local scuba diving instructor. The mystery deepens when a number of Viking artefacts surface and are sold on the black market. Suspecting these are connected, Grace starts digging and finds a dark underbelly to the otherwise idyllic town. Sheâ ™ll need all her skills and abilities if sheâ ™s to get to the bottom of the mystery and untangle the teasing clues. A Tangled Teaser is the third cozy mystery in the Witches of Hemlock Cove series. All books can be read in any order. They donâ ™t contain any great violence, sex, or profanity, but instead feature clues and a puzzle the reader can play along withâ "and of course, Graceâ ™s special and adorable pets.

Customer Reviews

I enjoy each of the series written by this author, but in the Hemlock Cove series; this is my favorite! The plot is not as complicated or dark as the previous book, which I found to be a relief, and much more enjoyable. There are some nice characters that turn out to be not so nice, and some you think are shady, but really are "good guys". This is a shorter book in length, but still written with careful plot development. There are just the right amount of twists and small surprises to keep the reader enjoying from beginning to end. Grace and Dario go off for a mini vacation weekend, and end up working a case when a body is found on the beach. I enjoyed the closeness between Grace and Dario, the contentment in their relationship as much as the unfolding of the mystery. Detective Zach works with Grace easily and smoothly this time, no strain between them. You can see that their professional relationship is a comfortable one, and thus more productive. We get to watch big sister Hope do her magic, and mend someone's broken heart. Joy and Nathaniel make an appearance too, though brief. This is easy, enjoyable cozy mystery. If you are a fan of the author Heather Blake and her Wishcraft series, you will enjoy these books too. So when you just want to enjoy a mystery that isn't full of gore or horror, then pick up a Kennedy Chase series (Hemlock Cove or Harley Hill)! There is just one thing that bothers me a little, (and this is entirely personal and does not take away from the writing or plot in any way); that is referring to her parent's souls being embodied in Noah and Charity. I'm sorry but I can't wrap my head around that, even though I know this is fiction. If she referenced instead her parents spirit's working through the animals, I could embrace it easily.
