Thirty True Tales Of The Weird, Unusual And Macabre: From The Notebooks Of The Paranormal Journalist

Synopsis

The stories between the covers of this book are for those who love their tales of the weird, unusual and macabre deliciously - real. Werewolves, vampires, aliens, cryptids, and ghosts are just a few of the mysterious creatures to whom you will be introduced or reintroduced through the voices of those who have encountered them. Come join the Paranormal Journalist as she guides you through a fantastical landscape inhabited by otherworldly beings too often relegated to the dark corners of humanity's consciousness. Read about real paranormal investigators who go places few would go to meet and communicate with the spirits of those long dead. Find out about a harbinger of doom that foretold the collapse of a superstructure and launched a legend. Learn about an organization dedicated to the pursuit of evidence of UFO abductions and visitations. Many writers conduct academic research, but Pat Bussard has also traveled to many of the locations she wrote about in this book to bring to the reader a deeper connection to these places of historical supernatural significance. She has interviewed some of the most renowned voices in the paranormal field to give readers authentic true stories of the preternatural. The book is heavily illustrated by photographs taken by the author while she was on location. Foreword by Rosemary Ellen Guiley. Hear their voices. Read the book. Know the truth.

Customer Reviews

As a paranormal researcher myself I was keen to read this book as soon as I learned of its existence. It is very good indeed! Ms Bussard is an excellent writer who manages to keep an old cynic such as myself glued to each and every page!! I usually toss such books aside after only a few pages but not this time!! I loved it and will be buying quite a few more to give as gifts to all of my equally cynical, disillusioned friends! Keep up the good work Pat - I look forward to reading the next one!

Very well written with several stories within one book. Each story captivates the readers imagination as well as the need to continue reading because once you start reading it, you just cannot put it down. Loved each story and I hope there will be another edition with even more stories in the future!!

This is a great well written book about the paranormal. Personally knowing Pat Bussard and all of her hard work in the paranormal field, made it easy to purchase 3 books.

This is a book that is impossible to put down! Truly a future classic in the genre! This is highly recommended!
