# The Politics Of Global Governance: International Organizations In An Interdependent World

## Synopsis

Covering decisionmaking processes, peace and security affairs, and economic, social, and humanitarian issues, The Politics of Global Governance helps students of international organizations to understand the major themes, theories, and approaches central to the subject. The fifteen new selections in this fully revised edition reflect an increased emphasis on transnational governance and emerging global norms. The editors' section introductions underscore the importance of the essays, which have been selected not only for their relevance, but also their accessibility.
